Jason Taylor
FOR INVICTA

FOR IMMEDIATE RELEASE

From the **Jason Taylor for Invicta** Collection arrives the Limited Edition, **Invicta Excursion Reserve**.

Offering the precision of a Swiss quartz movement, this chronograph masterpiece offers an outstanding level of performance. The limited edition timepiece is executed with bold aspects in design to match the model's inner power. Constructed with solid stainless steel, the carbon fiber case finish and pillar bezel enhance the overall impact of the 52mm black and red dial.

Further highlighting the capability and look of the timepiece is the stacked 3D linked bracelet and a full 500-meter water resistance. The Invicta Excursion Reserve from the Jason Taylor for Invicta collection, engineering and skill make the moment just right.

The Jason Taylor for Invicta collection reveals a captivating range of options for the discerning customer. This Limited Edition collection offers reimagined concepts in timekeeping created by Jason Taylor and the Invicta design team. New designs, as well as existing masterpieces have been carefully selected and modified by Jason to capture his unique style and aesthetic while maintaining the highest horological standards. The Jason Taylor for Invicta collection, time is no longer a spectator sport but rather a sophisticated adventure.

About Invicta Watch - Led by innovation and nurtured with the consistency of quality and brand personality, the forward thinking energy of The Invicta Watch Group continues its brazen journey. The long held belief that supremely crafted timepieces can be offered for modest sums is the founding principle of Invicta and that ideology still resides at the core of all Invicta creations. In setting a premise of exceptional standards, Invicta maintains their objective by successfully satisfying consumers and collectors alike at any price point.
